

People Have Forgotten to Live in the Moment

These days people are so involved in getting a 'selfie' that, they do not live in the moment. What do you think? Does it lead to people not being aware of the various aspects of the moment?

Present your viewpoint on the validity of the statement *People do not live in the Moment.*

Write to convince readers of your opinion.

Start with an introduction: informing the reader about what you are going to write.

Write your opinions on the topic: give reasons for your opinions and explain your reasons for these.

Finish with a conclusion: that sums up your reasons and convinces the reader of your viewpoint.

Remember to:

- Plan your writing
- Use paragraphs
- Write in sentences
- Choose your words carefully to convince the reader with your viewpoint.
- Pay attention to using correct spellings and punctuation.
- Edit and check your writing so that it is clear.
